# WHO WE ARE

We are an ultra-modern factory located in a 9.400 m<sup>2</sup> closed area. With state-of-the-art technology and a specialized administrative and production staff, we have been serving our customers for the past thirty-five years.

We are audited from ICS, Amfori BSCI, Fair Wear Foundation, additionally, we have the certificates of ISO 14001:2004, Quality Management System ISO 9001:2008, Occupational Health and Safety's Management System OHSAS 18001:2007. The fabrics and materials that we produce also have Oeko-Tex certificates.

Our quality standard is exceptionally high. Altogether, we have advanced material quality, honorable service, good delivery time and are sensitive about arising problems. We are currently producing for elite brands in Europe, and we are ready to provide our high-quality service for customers like you.

We manufacture t-shirts, polo shirts, sweatshirts, sweat jackets, polar sweats, jackets, shorts, hoodies, skirts, leggings, bras, fitness garments, active sportswear, workwear, leisure wear, casual wear, functional t-shirts. These products are produced to your specific needs and preferences.
